

*Going with the flow since 1962.*

INTRODUCING THE UNITY COLLECTION.

*Our new custom curved benches are designed to inspire creativity in transformative public spaces. They can gracefully follow the contours of a path or river, inviting passersby to rest. Featuring recycled or wood seating on a recycled steel frame, Unity benches are available straight or with custom curves, allowing for continuous seating and unique, unlimited design that makes full use of your space.*

VICTOR  STANLEY®

*Ren Drawer Receptacle: Patent pending*

*Create a timeless moment.®*
