Keeping up appearances since 1962.

Celebrating 60 years, Victor Stanley designs, engineers, and manufactures timeless site furnishings so you can bring communities to life. The Sage side-door litter receptacle joins contemporary and functional design with enduring strength. We engineered Sage to withstand flexing and distortion inherent in perforated sheet metal while keeping the design serviceable, long lasting, and attractive. Sage features two unique side-deposits, a full interior steel frame, strong exterior panels formed from 11-gauge steel nested in solid-steel frames, and our signature friction-eliminating hinges.
